"We were surrounded by delicious food from noon to dusk, the band was great and I even won some Cubs tickets!"~ Jerry Midland

THE LITTLE SISTERS OF THE POOR NEED YOUR HELP

We offer the elderly poor a home in a family-like atmosphere where they are treated with dignity, care, compassion and respect.

Your support of Habits on the Green will provide quality care for the aged Residents of St. Mary's Home.

Funding we receive from Medicaid covers only half of what we need per Resident. The other half comes from donors like you.
